MALAWI BIBLE OUTREACH PROJECT

September 2018 – Fall Assembly 2019

DONATIONS MUST BE SENT TO THE DIOCESAN TREASURER BY SEPTEMBER 1, 2019

Our goal is to supply our Sister Daughters of The Order with Bibles in their own language (Chichewa).

Our 4000 Sisters in Malawi live their vows actively with exuberance. They sing as they walk through their villages, weekly singing of God's Love and their joy in His loving kindness. They share the good news face to face, knocking on doors, offering assistance, listening, sharing, and praying with them.

Their average income in Malawi is \$596.00 a year. Their country is the size of Pennsylvania; literacy at 58%; very rural with different tribes; economy based on fishing and farming; and, the population is 15 million.

Our sisters there share one bible among 40-50 women. Let's together give them each a bible. The cost is \$10 US dollars.

I ask each Chapter President to make a poster and speak to this evangelism project to share and spread God's Word in the World at every meeting.
